This summer we asked ourselves what "Responsibilities and Expectations" are put upon the role of "the actor". We did this by examining the roles that are taken on by the fellow artists that surround them; writers, directors, cast members, and patrons. Each piece in this showcase was written by the performing cast members.

**Michael Patrick Wiles Acting Class**

*Arianna Abbott, Lauren Bausley, Matty Biener, Edison Gould, Argyll Livelo, Colin Perusse, Ethan Shank, Juliet Shires, Mo Shires, Mika Strickler, Isabel Wirz*

The scenes and monologues from our class were taken from published plays and have grown out of our classroom work this summer.
