

## **COVID Safety Manager**

Center Repertory Company is looking for a team of COVID Safety Managers to work on upcoming productions. The CSM team will be at all rehearsals and performances. They will be there to assist and provide guidance to ensure a safe work place. They will be the point of contact if company members have questions regarding COVID protocols.

The CSM's will be responsible for the following:

- Thorough understanding of Center REP's COVID Protocols.
- Confirming that the location is prepped for the rehearsal/performance, including cleaning and sanitizing.
- Confirming that all company members have filled out online Wellness Questionnaire prior to each rehearsal/performance.
- Coordinating and tracking onsite self-administered COVID Antigen Tests twice a week and alerting appropriate staff of test results.
- Ensuring cast and staff follow mask requirements and safe distancing protocols backstage and at rehearsals.
- Working with Management regarding COVID concerns and safety needs.

Once hired the COVID Safety Manager will need to pass an online training program, which further details the job and protocols.

## **Costume Assistant**

Center REPeritory Company has needs for Costume Assistants to work on upcoming productions. Costume Assistants are part of the valued team who ensures our performers look sharp 😊

If you are interested in stitching, dressing, draping, etc., please apply.

These jobs will start at \$15 an hour. Hours will vary based on production needs, with the first available shifts beginning November 20, 2021.

Submit your interest via email to Jeff Collister, Center REP Production Manager, at [collister@centerrep.org](mailto:collister@centerrep.org).
